

## Argo Law BV – Junior Associate

### Argo is looking for junior associates to join its team as from September 2025.

At Argo, an Antwerp-based law firm, we're redefining legal services with our fresh approach. Our motto? **Legal advice, sensibly different.** We aim for excellence, but we do it in a pragmatic and accessible way – no complex theories here, just smart solutions tailored to your unique needs.

We thrive on **intellectual challenges** and draw energy from crafting legal solutions that genuinely add value for businesses. Our clients – Belgian and international companies, investment funds, financial institutions and high-net-worth individuals – appreciate our personal touch and a results-driven mindset.

**Human connections** are at the heart of what we do. We believe in fostering an environment where teamwork, humour and professionalism go hand in hand. Our services range from **Corporate and M&A / Capital Markets and Listed Entities, Tax, Fund Structuring, (Inter)national Wealth, Estate Planning and Family Businesses, Banking & Finance, and Litigation.**

As a junior associate, you'll be at the heart of advising companies and entrepreneurs throughout their (corporate) lifecycle.

Intrigued by our departments?

- Corporate
- Tax
- Fund Structuring
- (Inter)national Wealth, Estate Planning and Family Businesses
- Banking & Finance
- Litigation

We're seeking exceptional junior associates who are eager to learn and grow. Experience is a bonus, but enthusiasm is a must. If you're passionate about law and ready to join a dynamic team, we want to hear from you!

### Profile

- You obtained or will obtain a Belgian Master in Law with a strong academic track record. An additional Master Degree or LLM is a plus.
- You are fluent in Dutch and English.
- You are capable of making in-depth analyses and are keen to learn how to work autonomously and provide pragmatic advice.
- You have a down to earth mindset, are inspired by working with others and have excellent communication skills.
- You are ambitious and you want to grow in a professional environment where you get the opportunity to further improve your skills in providing appropriate solutions for our clients and offering qualitative services.

# Why you should take the leap

- Collaborating with esteemed professionals in their respective fields, you will have the opportunity to develop into an expert yourself.
- Our commitment to your growth includes comprehensive cross-practice training programs and regular knowledge-sharing meetings, designed to enhance your professional development.
- You will be able to build strong partnerships with clients by providing refined, yet pragmatic solutions.
- You will experience team camaraderie through our vibrant culture, which includes monthly afterwork parties, yearly associate weekend, international trips, and various athletic initiatives such as ski trips, running and cycling events, and gym subscriptions.
- Our flexibility-first approach with adaptable day planning, a casual dress code, work-from-home opportunities, and daily interactions with a diverse array of clients, partners, and colleagues.
- Enjoy a top-tier salary and ample opportunities for personal development through a perfect blend of legal and soft skill training.
